* Oakland University offers testing in three different buildings, all within one block of each other. Test Centers #88, #89 and #90 are all on the same days and times. They are essentially all at the same location.

1. If your own school offers the MEAP tests, or if your school has made arrangements with another school for all students to test at some other building, you are not permitted to test at one of our Test Centers.
2. You MUST pre-register. Test Centers do not have extra testing materials to accommodate "walk-ins" or students who are assigned to test at a different Test Center.
3. You will be assigned to ONE Test Center. You may not split locations. For example, you may not take two tests at Test Center #88 then two others at #91.
4. Due to budget constraints, we are unable to offer more Test Centers than those listed. We reserve the right to cancel a Test Center or otherwise modify this schedule if an insufficient number of students register for a particular site.
5. Applications are processed on a first-come, first-served basis. If all your choices are full by the time we process your application, you will be assigned to a Test Center that may or may not be as convenient.
6. Testing begins as soon as everyone waiting at the Registration Desk has checked in. Plan your travel wisely. If you arrive after your required arrival time, you may be denied access, regardless of the reason for your delay. Your Confirmation Letter will indicate your REQUIRED arrival time.
7. None of the MEAP tests are timed. Students have as much time as they need. Each test takes about two hours.
8. More information (what you MUST bring, etc.) will be provided in the Confirmation Letter we will send you on March 4. See the bottom of your Registration Form for more details.
9. Listening and Social Studies are not required for the Michigan Merit Award, so they are not offered at Test Centers.
